NEEDLES: machine assorted needles 2 packs, hand sewing needles (a variety of sizes)

THREADS: basic machine thread in a variety of colours - *this will be a decorative as well as necessary element* so feel free and be imaginative! Hand threads for stitch. You may add those metallic threads for both hand and machine stitch too.

FABRICS: a variety of colours of your choice – *colours, textures & patterns you like!* – You will need a lot of ‘fancy’ fabrics eg lace, embroidered, sari and other silks, golds etc. You'll probably want some solid colours, hand dyed (textured plains) & some patterned (large and small print) in cotton; be sure to bring contrast.
